HILDA

The following Disclaimer applies to data obtained from the HILDA Survey and used in the chapter on 'Household and Business Finances' in this issue of the *Review*.

Disclaimer

The Household, Income and Labour Dynamics in Australia (HILDA) Survey was initiated and is funded by the Australian Government Department of Social Services (DSS), and is managed by the Melbourne Institute of Applied Economic and Social Research (Melbourne Institute). The findings and views based on these data should not be attributed to either DSS or the Melbourne Institute.
